DAKAR - HOPI COLLECTION™

CONTEMPORARY. FUNCTIONAL. FURNITURE.

Dakar - Hopi (DH) Collection™ by Kintec Solution, leading designers and engineers of contemporary motion furniture. DH Collection consists of two product innovations both in manual (lever or push-on-the-arm) and power (1 or 2 motor). The modular design of each product makes the shipping and assembly process simple and effortless. All products are tested for durability and resiliency for everyday use.

Patented Technology - Products safeguarded by international patents.

Key Features & Benefits
