

KEY FEATURES & BENEFITS :

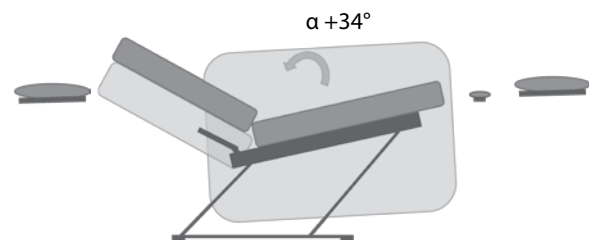

- Amazing Metal-To-The-Floor mechanism which is easy to operate
- A lever or inside handle opens the mechanism. Pushing on the arms bring you into full recline position
- Reinforced metal parts results in improved user weight capacity from 115kg to 136kg
- Wall hugger recline motion
- Universal fixation points makes it possible to create 1 upholstery that can be combined with different manual, motorized and lift mechanisms
